STATE OF NEW HAMPSHIRE
Concord 03301

October 31, 1975

Mr. Victor Kjellman, Chairman
Mr. James Crane
Mr. John J. Durr
Board of Selectmen
Henniker, New Hampshire

Dear Gentlemen,

It was with great pleasure that I noticed recently that you have held the line on the amount of property tax to be raised in the coming year. There are few towns in New Hampshire that can boast of a reduction in their tax rate.

Obviously it required a great deal of self restraint and expert administration for you to serve your constituents by maintaining the level of services while reducing the tax rate.

While we at the state level of government have increased a number of our services to the people substantially, without increasing taxes, we have not been able to match your stellar performance of reducing taxes.

Please accept my sincere congratulations on your fine service to the people of Henniker for a job well done.

With kindest regards,

Sincerely,

s/s Meldrim Thomson, Jr.

MT/cmpc

OFFICE OF SELECTMEN
Town of Henniker

Dear Henniker Residents,

The Board of Selectmen would like to take this opportunity to publicly offer their thanks to the many people of the Town of Henniker who have unselfishly served without remuneration for so long. These people have offered their services on committees, programs, special events and many other things too numerous to mention. Their time and efforts have eaten a large slice of their "free-time pie" and yet they have never complained. What can the Residents of Henniker do but to say thank you - one and all.

As you are probably well aware by this time, the Town Offices of Tax Collector, Town Clerk, Selectmen and Henniker District Court have moved into the Old Town Hall. Although this building has not been completely renovated at this time, we are enjoying surroundings which are pleasant and inviting. I guess we must again thank the Henniker Residents for their cooperation in appropriating funds for this building.

Again this year some of the reports following have been condensed to save printing space. Should anyone desire to have a complete listing of any of the costs, please feel free to contact our secretary - these reports are readily available. The Selectmen have maintained the same office hours of 8:00 a.m. to 3:30 p.m. Monday through Friday. Please feel free to visit should you have any questions.

Sincerely yours,

Victor H. Kjellman
Arthur S. Hadley, Jr.
John J. Durr

TABLE OF CONTENTS

TOWN WARRANT 1976

The State of New Hampshire

To the Inhabitants of the Town of Henniker in the County of Merrimack in said State qualified to vote in Town Affairs: (L.S.)

You are hereby notified to meet at Cogswell High School Auditorium in Henniker on Tuesday the Second day of March, next, at twelve of the clock noon to act upon the following:

1. To choose all necessary Town Officers for the ensuing year.

The Polls will be Open from 12:00 Noon to 7:00 P.M.

As voted at Town Meeting March 7, 1972, You are hereby notified to meet at Cogswell High School Auditorium in said Henniker on Tuesday the Ninth day of March, next, at eight of the clock in the evening to act upon the following:

2. To hear and act upon the report of Town Officers, Library Trustees, Trustees of Trust Funds and other Committees.
3. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the ensuing year.
4. To see if the Town will vote to increase the exemption to New England College upon dormitories, dining rooms and kitchens from $150,000 to $1,000,000 as authorized by RSA 72:23 IV for one year (By Petition)
5. To see what sum of money the Town will vote to raise and for the repair of highways and bridges and repair or purchase of machinery.
6. To see what sum of money the Town will vote to raise and appropriate for maintenance of the Police Department.
7. To see what sum of money the Town will raise to replace the Police Cruiser.
8. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.
9. To see what sum of money the Town will vote to raise and appropriate for the District Court.
10. To see what sum of money the Town will vote to raise and appropriate for the support of Concord Hospital.
11. To see what sum of money the Town will vote to raise and appropriate for State Aid Construction of Class V Roads.
12. To see what sum of money the Town will vote to raise and appropriate for the support of Tucker Free Library.
13. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
14. To see what sum of money the Town will vote to raise and appropriate for the support of the Henniker Athletic Program (former Community Center).

15. To see what sum of money the Town will vote to raise and appropriate for the support of Henniker Youth Services.

16. To see if the Town will vote to raise and appropriate the sum of $20,000.00 to come from Revenue Sharing Funds to complete the renovations of the Old Town Hall.

17. To see if the Town will vote to raise and appropriate the sum of $889.60 for the support of the Community Action Program.

18. To see if the Town will vote to raise and appropriate the sum of $4,000.00 for the Heavy Equipment Capital Reserve Fund.

19. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to roof, paint and renovate the Fire/Police Building. $1,700.00 to come from 1975 encumbrances - a/c Expenses of Town Hall.

20. To see if the Town will vote to raise and appropriate the sum of $3,600.00 to install sewer connections for the Town Hall, Fire Station, Grange Hall and Rescue Squad Building.

21. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the purpose of preparing graphics and printing of the Henniker Comprehensive Quality Environment Plan. (By Request)

22. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to begin the establishment of a Sanitary Landfill Operation and construct a pole barn to house future equipment.

23. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the Bicentennial.

24. To see if the Town of Henniker will vote to repair and maintain Craney Pond Road to the entrance to my property as I am a Resident and live on my property 12 mo. a year (By Petition)

25. To see if the Town will vote to classify as a Class V road that portion Locust Lane, also known as Proctor Hill Road as the road presently runs from Depot Hill Road to a point approximately one-third of the way along the northerly side of Lot No. 388-A, presently of Robert Conway. (By Petition)

26. To see if the Town will vote to classify as a Class V road that portion of Centervale Road, sometimes known as Old Stone Falls Road, as the road now runs south from Old Concord Road to lot 604, said portion of the road being bounded on the West by lots 545, 548, 549-C and 549-F, and on the East by lots 549-F1A, 549-F1 and 549-A. (By Petition)

27. We, the undersigned, are petitioning the Selectmen of the Town of Henniker to provide more swimming facilities for the residents of Henniker. Pleasant Pond has been overloaded for three years, and the traffic through this rural area is disturbing and dangerous. Henniker has access to many other ponds, and we feel it is imperative that some of these be developed for swimming. (By Petition)

28. To see if the Town will vote to raise and appropriate the sum of $20,000.00 to match State and Federal Grants for the Downtown Beautification Project.

29. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend on behalf of the Town any grants or other funds available for Town purposes, including but not limited to disaster aid and highway funds which may now or hereafter be available from the United States Government, the State of New Hampshire or any federal, state or private agency or individual or take any other action in relation thereto.

30. To see if the Town of Henniker will agree to adopt the following resolutions concerning the National Flood Plain Insurance Program:

WHEREAS, certain areas of Henniker are subject to periodic flooding of the Contoocook River, causing serious damages to properties within these areas; and

WHEREAS, relief is available in the form of Federally subsidized flood insurance as authorized by the National Flood Insurance Act of 1968; and

WHEREAS, it is the intent of the Town to require the recognition and evaluation of flood hazards in all official actions relating to land use in the flood plain areas having special flood hazards; and

WHEREAS, this body has the legal authority to adopt land use and control measures to reduce future flood losses pursuant to New Hampshire Revised Statutes Annotated Chapter 31, 36, 156 and 156A.

NOW, THEREFORE, BE IT RESOLVED, that the Town of Henniker hereby:

1. Assures the Federal Insurance Administration that it will enact as necessary, and maintain in force for those areas having flood hazards, adequate land use and control measures with effective enforcement provisions consistent with the Criteria set forth by the National Flood Insurance Program Regulations; and

2. Vests the Board of Selectmen with the responsibility, authority, and means to:

(a) Delineate or assist the Administrator, at his request, in delineating the limits of the areas having special flood hazards on available local maps of sufficient scale to identify the location of building sites.

(b) Provide such information as the Administrator may request concerning present uses and occupancy of the flood plain.

(c) Cooperate with Federal, State, and local agencies and private firms which undertake to study, survey, map, and identify flood plain areas, and cooperate with neighboring communities with respect to management of adjoining flood plain areas in order to prevent aggravation of existing hazards.

(d) Submit on the anniversary date of the community's initial eligibility an annual report to the Administrator on the progress made during the past year within the community in the development and implementation of flood plain management measures.

3. Appoints the Board of Selectmen to maintain for public inspection and to furnish upon request a record of elevations (in relation to mean sea

level) of the lowest floor (including basement) of all new or substantially improved structures located in the special flood hazard areas. If the lowest floor is below grade on one or more sides, the elevation of the floor immediately above must also be recorded.

4. Agrees to take such other official action as may be reasonably necessary to carry out the objectives of the program.

WHEREAS, the Town of Henniker has adopted and is enforcing subdivision regulations, Mobile Homes, and Mobile Home Parks and Zoning Ordinances;

WHEREAS, Sections of the aforesaid prohibit any person, firm or corporation from erecting, constructing, enlarging, altering, repairing, improving, moving or demolishing any building or structure without first obtaining a separate building permit for each building or structure in the residential district from the Selectmen, and

WHEREAS, the Board of Selectmen must examine all plans and specifications for the proposed construction when application is made to them for a building permit.

NOW, THEREFORE, BE IT RESOLVED by the Town of Henniker as follows:

1. That the Board of Selectmen shall review all building permit applications for new construction or substantial improvements to determine whether proposed building sites will be reasonably safe from flodding. If a proposed building site is in a location that has a flood hazard, any proposed new construction or substantial improvement (including prefabricated and mobile homes) must (i) be designed (or modified) and anchored to prevent flotation, collapse, or lateral movement of the structure, (ii) use construction materials and utility equipment that are resistant to flood damage, and (iii) use construction methods and practices that will minimize flood damage; and

2. That the Planning Board shall review subdivision proposals and other proposed new developments to assure that (i) all such proposals are consistent with the need to minimize flood damage, (ii) all public utilities and facilities, such as sewer, gas, electrical, and water systems are located, elevated, and constructed to minimize or eliminate flood damage, and (iii) adequate drainage is provided so as to reduce exposure to flood hazards; and

3. That the Board of Selectmen shall require proposed new or replacement water supply systems and/or sanitary sewage systems to be designed to minimize or eliminate infiltration of flood waters into the systems and discharges from the systems into flood waters, and require proposed on-site waste disposal systems to be located so as to avoid impairment of them or contamination from them during flooding.

31. To see if the Town will authorize closing Depot Hill Road in the Historical District.

32. To see if the Town will vote to add the Cemetery area behind the Town Hall to the Historic District.

33. To transact any other business that may properly come before this meeting.

Given under our hands and seal this twenty-seventh day of January, in the year of our Lord nineteen hundred and seventy six.

And that Town Officers be paid at the following rates: Auditors, Ballot Clerks, Fence Viewers, Health Officers, Selectmen, Supervisors of Checklist, and Surveyors of Wood and Lumber at $2.50 per hour; Moderator at $2.75 per hour; Treasurer at $600.00 per year; Tax Collector at the rate of three-quarters of one percent of the taxes collected; and Town Clerk at $100.00 per year; and that the funds appropriated for the Community Center be earmarked for the support of summer swimming program, Henniker Community Center Basketball team, Peewee League Baseball program and Henniker Town Team Basketball and that payments be made through the Selectmen of Henniker and by the Town Treasurer.

Article 4 **VOTED**, to indefinately postpone any action on this article. (College Exemption to increase to $1,000,000.00)

Article 5 **VOTED**, that the Town raise and appropriate the sum of $102,973.06 (One hundred two thousand nine hundred seventy three

dollars and six cents) for repair of Highways and Bridges and repair or purchase of machinery; that $22,973.06 (twenty two thousand nine hundred seventy three dollars and six cents) come from the Highway Subsidy Fund; that $15,000.00 (fifteen thousand dollars and no cents) be for the purchase of new machinery, and that $65,000.00 (sixty five thousand dollars and no cents) be for highway expenses, and that no salary increases be granted in excess of 8% (eight percent).

Article 6 **VOTED**, that the Town raise and appropriate the sum of $45,000.00 (forty five thousand dollars and no cents) for the maintenance of the Police Department, and that no salaries be increased more than 8% (eight percent).

Article 7 **VOTED**, that the Town raise and appropriate the sum of $4,000.00 (four thousand dollars and no cents) to purchase a replacement cruiser, $1,629.00 (one thousand six hundred twenty-nine dollars and no cents) to come from the Police Cruiser Fund.

Article 8 **VOTED**, that the Town raise and appropriate the sum of $10,800.00 (ten thousand eight hundred dollars and no cents) for the maintenance of the Fire Department.

Article 9 **VOTED**, that the Town raise and appropriate the sum of $2,000.00 (two thousand dollars and no cents) for the support of the Tucker Free Library.

Article 10 **VOTED**, that the Selectmen be authorized to borrow money in anticipation of taxes.

Article 11 **VOTED**, that the Town authorize the Selectmen to take such action as will protect the best interest of the Town with regard to Flood Plain Insurance.

Article 12 **VOTED**, that the Town raise and appropriate the sum of $1,478.18 (one thousand four hundred seventy eight dollars and eighteen cents) for State Aid Construction of Class V Roads.

Article 14 **VOTED**, that the Town raise and appropriate the sum of $595.00 (five hundred ninety five dollars and no cents) for the support of Concord Hospital

Article 15 **VOTED**, that the Town raise and appropriate the sum of $8,200.00 (eight thousand two hundred dollars and no cents) for the support of the District Court.

Article 16 **VOTED**, that the Town raise and appropriate the sum of $4,500.00 (four thousand five hundred dollars and no cents) for the support of the Henniker Youth Services, that the ten percent decrease (the original motion read $5,000.00) be taken equally from the director's salaries, and that all receipts and expenditures be processed by the Town.

Article 17 **VOTED**, that the Town raise and appropriate the sum of $500.00 (five hundred dollars and no cents) for the Bi-Centennial Committee.

Article 18 **VOTED**, that the Town raise and appropriate the sum of $684.00 (six hundred eighty four dollars and no cents) for the support of the Community Action Program.

Article 19 **VOTED**, that the Town authorize the withdrawal from the Revenue Sharing Fund, established under the provisions of the State and Local Assistance Act of 1972, toward the completion of the renovations of the old Town Hall, of $30,000.00 (thirty thousand dollars and no cents).

Article 20 **VOTED**, that the Selectmen be directed to give priority to local vendors in services and products for the town, to the extent said vendors offer comparable and competitive products, prices or services.

Article 21 **VOTED**, that the Town consent to the use of the grounds adjacent to the Henniker Community Center, not including the ball park, for park and play purposes.

Article 22 **VOTED**, that the Town designate the Old Town Hall as an Historic Building and the area bounded by Circle Street and Route 114 an Historic District.

Article 24 **VOTED**, that the Selectmen be authorized to apply for, accept and expend on behalf of the Town any grants or other funds available for Town purposes, including, but not limited to, disaster aid and highway funds which may now or hereafter be available from the United States Government, the State of New Hampshire or any Federal, State or private agency or individual, or take any other action in relation thereto.

Article 25 **VOTED**, to authorize the Selectmen to report at next Town Meeting on possibilities of expanding Town Recreation Facilities using Federal Grants and/or Federal Matching Funds.

Article 26A VOTED, that the Town change the names on the Town Street Map, adopted in 1970 and amended in 1972. The Streets affected are as follows:

1. Unnamed road – Baker Road to Town Line to be Mathews Road
2, Unnamed New Service Road – Rt. 114 to Liberty Hill Road to be Davison Road. Liberty Hill Road to Old Hillsboro Road to be Bacon Road.
3. Cut off portion of Newton Road to remain Newton Road
4. Colby Hill Road – Liberty Hill road to cut off at Rt. 202 to be Colby Hill Extension. Cut off portion of Colby Hill Road to be The Oakes.
5. Proctor Hill Road – off Depot Hill Road to be Locust Lane
6. Old road from Junction of Old Concord Road with Rt. 202 to Centervale Road to be Stone Falls Road
7. Unnamed road – Depot Hill Road to junction Rt. 114 and Gulf Road to be Pike Street
8. Old Road from Craney Hill Road (at Corbin's House) toward Craney Pond to be Corbins Road
9. Old road off Shaker Hill Road (south) to be Ireland Road
10. Change Foster Hill Extension to Foster Road
11. New access road along the river to be Brown Way (not a Town road – for identification purposes only.)

Article 26B VOTED, that the Town change the title of the personnel position entitled Highway Road Agent to the personnel position entitled Supervisor of Public Works, to include the general responsibilities and supervision of the Highway Department, the Town Dump and/or Sanitary Landfill, the Town Liquid Waste Disposal Department and other responsibilities as the Selectmen see fit.

Article 26D VOTED, that any business or organization requesting an abatement of taxes in the Town Warrant, be required to place a copy of its proposed budget in the Selectmen's Office, for the perusal of interested taxpayers, no later than one month before Town Meeting.

Article 26E VOTED, that the Town extend the current leash law to cover the entire Town.

I hereby declare the above to be a correct and true record of the affirmative votes at Annual Town Meeting 1975.

Lorraine Knapton,
Town Clerk

POLICE DEPARTMENT

Due to the economic situation during the early part of 1975 the budget for this Department was reduced by 10%. Consequently, certain services had to be cut back. The primary area effected was the curtailment of the use of Special Officers on weekend evenings. This policy seriously effected the effort to have personnel on patrol during our most active hours. Other necessary services which were effected were the replacement of traffic control signs, painting of road marking such as crosswalks, installing No Parking signs, etc. It was also necessary to reduce the enforcement of the leash law concerning dogs running at large due to the expense involved.

In spite of this temporary financial set-back, the Department was able to continue providing necessary police services. The various members of the Department contributed in excess of one thousands hours of unpaid overtime. Their dedication is to be commended and I wish to thank them.

The cooperation extended by the other Town Departments and the people of Henniker is greatly appreciated. It is our hope to merit your continued support.

Respectfully submitted,

Thomas W. Hassler,
Chief of Police

IN MEMORIAM

Dr. William H. Mandrey

A noted educator, lecturer, writer and historian, Dr. Mandrey will be remembered for his unflagging zeal in the battle to preserve our Town's heritage.

In his last picture taken shortly before his death, Dr. Mandrey checked details of the Colonial costumes made by Martha Jones (in background) and worn by Michael Durgin and Mark Wood at Bunker Hill Day in Manchester this summer.

The Town hereby acknowledges with gratitude the gift of a Lexon window covering for the Stained and numerated sash window in the front of the Town Hall in honor of the late Dr. William Mandrey by his wife Mrs. Mandrey.

BICENTENNIAL COMMITTEE

At the request of Dr. Mandrey, Chairman of the Historical Society, the Selectmen appointed the following to the Bicentennial Committee. Dr. William Mandrey, Chairman; Victor Kjellman, Selectman Ex-Officio; Mary Kjellman, Clerk; and members George Sanborn, Robert Sterling, Adolphus Holton, Roby Wood, Clarence Fitch, Lester Connor, Carl Bennett and Duane Sanborn.

With the death of Dr. Mandry, Dr. Richard Hudson was appointed and the Committee elected Lester Connor as Chairman and Alice Norton as Coordinating Secretary to continue the Bicentennial Program for Henniker. The Committee started its program under Dr. William Mandrey and scheduled the following events:

1. Preservation of the Meeting House. Thanks to the help of the Town appropriating money at Town Meeting, this program is well under way and it[is anticipated that the downstairs will be available for open house before Town Meeting.

2. Publication of a Town History covering events from 1880 to the present. This project has been scheduled for completion by 1980 and some forty people currently are working to complete the next hundred years of Cogswell's History of the Town of Henniker.

3. An Essay Contest for High School Students. This essay was to be on a subject recommended by the N. H. American Revolutional Bicentennial Commission: *N. H. at Bunker Hill*. The savings bond prize, offered by the Henniker Historical Society was won by Michael Durgin of Henniker.

4. Reenactment of a 1775 Church Service. This was done several years ago in the Henniker Congregational Church and was so successful that Rev. John Schule plans to present this program again.

5. Presentation of a play, possibly the musical *1776*. Nothing has been done on this program yet.

Since Lester Connor has chaired the Committee, other events have been programmed.

6. The Historical Society may be able to finance the placement of a plaque honoring Dr. Mandry and all his efforts in behalf of our town. This project is being worked on.

7. A joint three-town (Warner, Hopkinton and Henniker) visit to the Bound Tree, perambulation of the bounds and the transplanting of a seedling to the Town Hall area. This project was completed very nicely in November 1975.

8. An Amy Cheney Beach (Mr. H. H. A. Beach) musical series. This program is being put together for spring presentation.

9. Sponsorship of the Downtown Beautification Plan. This program is being worked on continually.

10. Creation of a Special Town Report (March 1977) to include details of the Bicentennial Committee activities. (not started)

11. Conducting an art contest for a mural for the Town Hall. (not started)

12. Conducting a photo contest to uncover more old pictures and stimulate the taking of new ones for Henniker publications. (not started)

13. Arrangement for possible flea markets and craftsman's fair in conjunction with other events. (not started)

14. Special events like Heritage Trail to be arranged along with Memorial Day parade.

15. A July weekend to include a parade on the 3rd and a special church service and colonial luncheon on the 4th. (not started)

16. Sponsorship of the Patterson Pictures presentation arranged by the Historical Society. Completed in October 1975.

17. Sponsorship of Martha Jones Quilt project as a Bicentennial event. Project now underway.

18. Binding the old Town Reports to preserve them for future use. This is being worked on.

19. Sponsorship of the Dedication of the Town Sewage Facilities as a Bicentennial activity. (not started)

20. Sponsorship of a Community Bulletin Board at Town Hall. (not started).

The Bicentennial Program is growing every day and will not be completed until March 1977 town meeting. Hennikerites are invited to attend and participate and become involved in the program. Membership should represent a good cross section of the people and organizations in town. Since the Bicentennial Committee has no budget, any suggestions for raising funds and any donations will be welcome.

The Committee is grateful for the help they have received from the many people who have been attending their meetings and helping on various projects but the names are too many to print. Thank you all!

Respectfully,
Alice H. Norton,
Coordinating Secretary

HENNIKER HISTORIC DISTRICT COMMISSION

The Henniker Historic District, designated by the Town and accepted by the Federal Government, is bounded by Grove Street (N), Circle Street (W and S), Route 114 or Bridge Street (E) and contains Woodman Park. Edna Proctor Fountain, the Little League Field, the Children's playground (requested by the Mother's Club and voted by the March 1975 Town Meeting), and the historic Town Hall, built in 1787 and renovated in 1887. The Town Hall is presently under reconstruction for town offices and the Henniker District Court. This Commission will supervise this area. Kindly note article in the 1976 Warrant.

Respectfully submitted,

Dr. Richard Hudson, Chairman
Marion Chase
Adolphus Holton
Duane Sanborn
Mildred French
Willa A. Brigham
Victor H. Kjellman

ZONING BOARD OF ADJUSTMENT

Upon approval of the Town of Henniker Zoning Ordinance at Town Meeting on March 6, 1973, the Selectmen appointed a Board of Adjustment to hear all appeals for variance and requests for exception to the terms of the Zoning Ordinance.

As a group, we were very active this year having three cases held and two organizational meetings. Two cases were for a waiver to permit commercial use in a residential area and one case was to permit a time and temperature sign to be installed at a place of business.

Respectfully submitted,

Edward Spakoski, Chairman
William Damour
Winslow Foster
Richard Mitchener, Jr.
Alice H. Norton

HENNIKER CONSERVATION COMMISSION

This past year marked a milestone of accomplishments for your Conservation Commission on behalf of the Town of Henniker. The Comprehensive Environmental Quality Plan, under preparation by Rick Saunders, a graduate student majoring in regional planning at the University of Vermont, was completed and given to the Commission Chairman in early December, as originally schedule.

This plan, the result of fifteen months of close work between Rick, the Commission, Planning Board, numerous Town Officers, and the Central New Hampshire Regional Planning Commission, is designed to provide a working guideline for the Town that will serve as an aide for all town departments in planning and evaluating potential growth and preserving natural and historic resources.

An important component of the Plan involves town resident attitudes regarding development, recreation needs, and environmental quality characteristics that should be preserved. Based upon questionnaires circulated during last year's Town Meeting, and personal interviews, the responses hopefully will assist the Town in establishing policies and objectives for planning that will direct the magnitude and direction of growth in Henniker.

The Commission is requesting funds for the ensuing year to produce enough copies of the Plan for the Town Offices and other Commissions, and summaries in pamphlet form for the townspeople, to be distributed at next year's annual Town Meeting. It should be noted that in addition to providing a guide for growth, this Plan will also be an important asset for the Town in seeking Federal funds for improvements.

Your Commission stands ready to assist you and the Town in the furtherance of this Plan, which hopefully will guide the Town in striking a balance between economic growth and development and preservation of natural and historic resources.

Respectfully submitted,

Robert Seaman, Chairman
Herve Aucoin
Stephen Bennett
Donald Blanchard
Willa Brigham
Merle Patenaude

HENNIKER YOUTH SERVICES

Henniker Youth Services during its fourth year of service to the community has continued a high standard of arts-recreation programming with projects in music, theater, field trips, Y.M.C.A. swimming, summer sewing class, mini town beautification projects, Neighborhood Youth Corps, piano instruction, summer softball, Christmas tree lighting, Halloween fun house, and Easter egg hunt.

In October Michael and Nancy Greenblatt and Kenneth and Christine Gilbride resigned as salaried directors of Henniker Youth Services. The directors decided that the monies raised annually for Henniker Youth Services should be appropriated totally for programs and project supplies and not to salaries.

New new organization of Henniker Youth Services is as follows:

Film Festival by Kenneth Gilbride scheduled once a month on Saturday
Swimming at YMCA by Pat Brown scheduled once a month
Halloween Party by Carol Hamilton on October 31
Gym Night by Carol Hamilton weekly on Friday or Saturday nights
Discotheque held occasionally on Saturdays
Field Trips by Jackie Brill will be planned
Christmas Tree Lighting by Pat Troy during Christmas week
Bowling Trips by Gayle Metnick scheduled once a month
Easter Egg Hunt by Nancy Greenblatt during Easter week
Plays by Michael Greenblatt
Girls Basketball (grades 4, 5 &6) by Elsie White and Ging Blanchard
Girls Softball (grades 4, 5 &6) by Lynn Eilenberger

Following is a proposed budget for 1976. As you can easily see, our estimates exceed our request for appropriations. However, all appropriations will be used for programs, as all supervision has been donated or volunteered.

Swimming Program	$300.00	Discotheque	no charge
Open gym	25.00	Halloween Party	25.00
Girl's Basketball	110.00	Ice Capades	223.75
Girl's Softball	40.00	Celtics Basketball	295.00
Bowling	650.00	Film Festivals	750.00
Christmas Tree Lighting	25.00	Art Supplies	50.00
Theater	no charge		

Total estimate $2,493.75

If you would like to volunteer to help coordinate or supervise any of the above programs please contact Carol Hamilton or any one of the volunteers listed.

Carol Hamilton

HENNIKER INDUSTRIAL COMMITTEE

This past year has seen a number of inquries regarding possible sites for several industries. One industry in particular was interested in a location in Henniker. They liked the town and the people they had met. It was the type of industry that people in Henniker had always felt would be desirable, a small, clean industry with a good tax base.

Our committee spent quite a lot of time looking for a suitable location for them, and we finally found a site that seemed to fit their needs. It was zoned residential, and after a meeting with the Selectmen, Zoning Board, and Planning Board, all felt that it should have been zoned for commercial use.

After two hearings and a special town meeting, it was voted to keep it residential. We really don't have any good industrial land to lure industry to our town, and we hope that in the near future this can be remedied.

CIVIL DEFENSE REPORT

Plans are in the process for re-evaluating Civil Defense needs for the Town of Henniker. Appropriate action will be initiated during 1976.

This office is on the lookout for any usable surplus property which the Town or Civil Defense would have a need for.

No emergency assistance was called for by the Town during 1975.

Stephen C. Burritt,

FOREST FIRE WARDEN

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

CONCORD REGIONAL
VISITING NURSE ASSOCIATION

Visits made October 1, 1974 - September 30, 1975 — 933
Payment received - Town of Henniker - November 13, 1975 — $4,800

The Concord Regional Visiting Nurse Association is in Henniker on Monday, Wednesday and Thursday of each week. They have an office at Faculty Hall and can be reached by dialing 428-3244. If they are needed any other day, a collect call can be made to Concord 224-4093. The Henniker number is listed in the phone book under Henniker - Town of. Please feel free to call either of these numbers if you need service. That is what the nurse is here for, for you!

The Concord Regional Visiting Nurse Association began to service Henniker in September, 1973. The agency provides skilled nursing care to anyone sick in the home, especially those needing continuity of care after discharge from the hospital. They are available to give hypodermic injections, change surgical dressings, and do other treatments prescribed by the attending physician. When indicated, family members have been instructed to give care between the nurses' visits.

Special services such as physical therapy, occupational therapy and nutrition guidance have been given by the special staff and consultants in order to assist with the rehabilitation of an acute or chronic illness.

When family members are unable to supply all the needed care, a staff of homemaker/home health aides are available to give physical care, do light housekeeping and assist with meal planning and preparation.

The nurses are delighted to advise new and expectant mothers in the care of themselves and their babies. They are also glad to work with families and individuals on normal nutrition and sickness and accident prevention.

Anyone in Henniker may request these services — doctor, family, pastors, friend or patient himself. Patients are also referred by clinics and other agencies. All calls are answered, but continuing care can be provided only under a doctor's order.

A call to the Concord Regional Visiting Nurse Association — Henniker number 428-3244 or in Concord 224-4093, between the hours of 8 a.m. and 4 p.m. is all that is necessary to start service or make inquiries. Saturday, Sunday, and Holiday calls are only made when there is serious illness. Fees may be scaled to those unable to pay the entire amount.

Respectfully submitted,

(Mrs.) Lutie K. Piper,
Executive Director

(Ed. note) When the town offices are completed the Visiting Nurse will have an office in Conference Room No. 2 in the Old Town Hall.

HEALTH OFFICERS REPORT

The following is a report of the actions dealt with by the Health Officer during the past year.

Legal and Police aid was used in the condemnation of one house due to sewer problems and overall health hazards.

One of the local camping areas was supplied with water during the Labor Day weekend due to the depletion of their well supply. The Fire Department was very cooperative in assisting with the water delivery.

Health checks were done and forms sent to the State Health Department for the use of publicly run care centers.

Some of the commercial kitchens were inspected with no problems requiring further attention.

There were the usual water samples taken from the local swimming areas during the summer months. Everything was found very satisfactory.

Other verbal complaints were looked into with no need of further action.

Your Health Officer is pleased to be of service to the Town of Henniker and would be pleased to assist any of its citizens.

Respectfully submitted,

Daymon A. Murdough,
Health Officer

CEMETERY TRUSTS

Nellie VanBlarcom	
Principal	$ 100.00
Annual Income	8.15
Location	New Cemetery

HENNIKER RESCUE SQUAD

1975 can be measured as another growth year for the Henniker Rescue Squad. Not so much that the number of emergency calls have increased so much over 1974, but the growth can be better measured in the maturity of the squad as a team and a body. Evidence of this maturity is the recertification of the original members of the Squad as Emergency Medical Technicians and the application of several new members to the Squad who have since completed their basic training as EMT's.

This means that the Henniker Rescue Squad has taken that vital step in growth where it is no longer the wish and the dream of one person, or a small group of people, instead it has become a secure resource within and for the Town of Henniker. In my mind this is the biggest advancement for the Henniker Rescue Squad in 1975.

The Rescue Squad throughout the year has continued to provide the latest equipment in a rapidly changing field of emergency care. With the advent of fulltime physician coverage at the Concord Hospital and the increased planning activities by the Central New Hampshire Emergency Medical Service District, greater responsibilities are placed upon Rescue Squads as are greater opportunities for improving the care given to the emergency patient. It has been a pleasure to be of service to the people of Henniker this past year. Your generous support of our past endeavors certainly encourages us in our future activities.

Some of our plans for the next few years include completion of the interior and grounds of our headquarters; addition of special education and equipment; a continued effort to strengthen our daytime manpower resources; and initiation of specific arrangements and education in emergency care.

With your continued support I am sure our efforts will be successful.

Respectfully submitted,
James F. Houghton, Sr.,
Chief

HENNIKER COMMUNITY CENTER

During the past year the Henniker Community Center continued to provide financial support and leadership for several recreational activities of the Town.

As part of the summer swimming program, coordinated by Carol Hamilton. lessons for beginners to instruction for senior life saving was provided. Enrolles were divided into Beginner, Advanced Beginner, Intermediate, Swimmer, Junior and Senior Life Saving Classes. There was a life guard on duty at Pleasant Pond daily from the second week in June through Labor Day. The development of a system to curtail the influx of out of town bathers on weekends, i.e., car stickers to identify Henniker residents, would be helpful to the lifeguard on weekend duty.

From November through March the Henniker Community Center basketball team, directed by Joe Clement, continued its program for boys from third through eighth grade. Almost 50 youth (including cheerleaders) participated in a 14 game schedule including games against Penacook, Hopkinton, Concord, Chichester, Bow and Boscawen. The fifth and sixth grade team, coached by Don West, advanced to the finals.

The Peewee League this past summer provided a baseball program for 50 boys ages 8 through 12 who made up a five team league. There were 4 intramural teams and one team which played other town teams through the Kearsage Valley Baseball League. This team played Bradford, Wilmont, Webster, and Salisbury. A total of eight intramural games were played from the end of April to the beginning of July. Both the Henniker Community Center Field and the Henniker High School Fields were utilized.

Respectfully submitted,
Carol Hamilton

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

At the end of 1975 and five years of operation the Central New Hampshire Regional Planning Commission had become involved in numerous studies of both a local as well as a regional nature.

In addition to being currently involved in studies related to historic preservation, land use and housing the Commission is actively involved in local assistance and provides the technical expertise of its staff to any community requesting assistance.

During the past year the Commission provided assistance to Henniker in the form of advice and guidance to the Planning Board and Selectmen regarding several Federal programs and grants. The Commission provided the Planning Board with guidance in the review of specific site plans as requested.

In October the Town received a complete set of 1975 aerial photographs for use by local officials and are expecting to receive shortly a set of enlargements for the Town's tax map base.

The Commission also conducted for the Selectmen and a group of citizens assistance in the preparation of the Henniker Downtown Beautification Project. This project will hopefully receive some financial assistance from the Federal level to see it through to fruition.

The Commission hopes to be able to continue to serve the needs of its member communities in future years and appreciates the past support of its activities by the Town of Henniker.

Respectfully submitted,
Nina C. Morse
Joseph I. Grady
Representatives

PLANNING BOARD REPORT

The Planning Board meets regularly on the second and fourth Wednesday of each month, except for July and August. Special meetings are called as necessary. We welcome public attendance at our meetings.

In 1974 the Board established By-Laws for a guideline to our meetings, and a Director. These have proved to be a great asset.

The following Subdivisions were approved in 1975.

1. Harold Connor, Foster Hill Road
2. John Ryan, Ryan Road
3. Marilyn Pickell, Robertson Road
4. John Costello, Foster Hill Road
5. Land Systems, Old Hillsboro Road
6. Land Vest, Bear Hill Road
7. Carlos Builders, Flanders Road
8. Edward Gay, Rush Road

A boundry adjustment was approved for Fred Brunnhoelzl III and Daymon Murdough.

The following Mobile Home Locations were recommended for approval:

1. Scott Gould, Ryan Road
2. Bruce Whittier, French Pond Road
3. Robert Conway, Locust Lane
4. Veronica Stoyak, Old Hillsboro Road
5. Agnes Stoyak, Old Hillsboro Road

The Planning Board conducted two Public Hearings at the request of the Industrial Committee relative to the rezoning of Lot No. 398-E1, from residential to commercial.

Two Board members were appointed to the Regional Commission, these being Nina Morse to replace Clarence Fitch, and Joseph Grady to replace Adolphus Holton, both of whom resigned.

One or more of the members attended the meetings of the Town Beautification Committee.

New Street regulations were adopted by the Selectmen which aid the Board in their subdivision work.

At present the Board is working on some changes to the Town Subdivision Regulations which the Board hopes to adopt in 1976.

The Board has updated the Official Town Street Map, copies of which can be purchased at the Selectmen's Office for the small fee of $.50.

Last, but not least, is the continued good work of Adolphus Holton on the tax map. Mr. Holton would appreciate hearing from anyone with deeds with measurements, or people with surveys, to aid in this work.

Respectfully submitted,

Nina C. Morse,
Secretary

SEWERAGE AND SEWAGE TREATMENT ADVISORY COMMITTEE

This seventh report of the Committee authorized by the 1969 Town Meeting covers progress from mid-January 1975 to Mid-December 1975. It should be red with prior reports for a full picture of events to date.

On January 30, 1975, bids within budget were received. Mid-State Construction Company and R. C. Foss of Pittsfield were the low bidders on Contract 1, Sewerage. Catamount Construction Company, also of Pittsfield, was the low bidder on Contract 2, the Treatment Plant. After necessary analysis and approval procedures, contracts were entered into with these firms and work began in spring.

Progress of the sewer work in our streets has been evident to all this year. It is about 80% completed now, and the contractors should have no trouble finishing within the contract time. The work of constructing the Treatment Plant has been less visible until recently, but has been steadily prosecuted. Completion is about 60%, and beginning to be dependent on delivery of manufactured equipment. With good luck in this area, Catamount can complete on schedule. To date, it appears that Henniker has been fortunate in having good contractors and an excellent inspection staff. Our citizens are to be commended for their patience with the inconveniences that construction entails.

In November a formal appearance was made before the Merrimack River Valley Flood Control Commission to present our claim of additional costs of pollution abatement construction and operation resulting from the Hopkinton-Everett Flood Control project. Selectmen and Committee intend to pursue the claim in the interest of sewer users through the years ahead.

Much remains to be done by all, but it appears that 1976 will see the end of significant pollution of the Contoocook in Henniker.

Respectfully submitted,

George A. Sanborn,
Chairman

REPORT OF THE TRUSTEES OF TUCKER FREE LIBRARY

As most of the people of Henniker know, the Tucker Free Library serves two purposes of the town; it provides excellent library services and is also custodian of the town's historical possessions. In the course of the former project, we were sorry this year to lose our popular and competent librarian, Carolyn Patenaude, and happy to replace her, after considerable search, with a successor who has already earned a great deal of praise from our patrons.

Since the library is a town institution and not a private enterprise, the Trustees took the job of selecting a new librarian very seriously, and you might be interested to know what our procedure was. An advertisement was placed in the Hillsboro *Messenger*, and a standard job application form was secured from the Selectmen, then modified to suit this position. Each applicant was sent a copy of the form and those who met the basic requirements were interviewed personally by several of the Trustees. The choice was difficult because so many well qualified people applied, and it was necessary to decide whether the job would meet their needs on a long-term basis as well as to determine whether they were the sort of people who would meet the needs of the Town. There was unanimous agreement that Ethel Miller, because of her professional background, previous experience, personality and attitude toward library work was the applicant best suited in every way, and comments from library users have confirmed our judgment. We feel that under her supervision, and with the continuing outstanding contribution of her assistant, Helene Dermon, Tucker Free Library gives improved service to the Town.

Our second function, that of custodian of the historical collection, has involved more activity and more concentration this year than in the past. The work of the group of volunteers under the direction of Willa Brigham in cataloguing and storing documents and records increases with regular donations of such materials by interested townspeople, and this group was especially helpful in arranging and coordinating the acceptance of the group of historical Patterson portraits to the Town this fall. In order to provide for the safety of the Archives collection and the extensive historical artifacts in the library, special security measures were taken this year. Heavy iron grills were installed in basement windows, locks as tamper-proof as possible were placed in exterior doors, and the front doors of the Library were reversed to conform to safety regulations. All of these projects, and especially that of changing the front doors, proved to be quite expensive, but it is our feeling that protection of our historic treasures is of great importance to the Town.

Many of our library services continue to be made possible through the efforts of volunteers, such as the Summer Reading Program, the Summer Story Hour, the Annual Book, Food and Plant Scale, work in the Archives and with the historical collection, and we would like to express our special gratitude to all of those who have worked on these projects, especially the

Henniker Friends of the Library. We would also like to thank Carolyn for all she did for us, and to thank Ethel and Helene for all they are presently doing. It is the wish of the Library Trustees to provide Henniker with the very best possible library service that we can render, and we will appreciate your suggestions as much as we appreciate your commendation.

Trustees of Tucker Free Library

Margie Withers was in charge of the story hour for the Friends of the Library this past summer. We again had the Little Red Wagon and the group finished up the summer by taking a trip to Benson's Animal Farm.

The Friends served refreshments when the Afternoon Fellowship came as guests to hear Richard Bacon speak on dried flower arrangements.

Thanks to Linda Morley of N.E.C., Tomie de Paola came to read some of his stories to a large group of 60 children and parents. We now have five of his books for children.

The book, bake and plant sale of the Friends was held successfully on October 11.

The first Bicentennial affair for Henniker was held in the Library on October 5. This was the dedication of the Patterson portraits.

The Home Extension group of Henniker are a newly formed organization that meets in the Library every first Wednesday. Their project is the Library.

We have set up our Bicentennial reading table – Come in and find some interesting reading about our country's birthday.

I am happy and proud to have been chosen as your new Librarian. We are arranging our biography section to make it a little easier to find a specific book and soon we will be putting all the New Hampshire books in a special arrangement. We are getting books on carpentry, and wiring, etc., so come in and see us for any of your needs.

Respectfully submitted,

Ethel Miller,
Librarian
Helene Dermon,
Assistant

STATE OF NEW HAMPSHIRE

Henniker School District

SCHOOL WARRANT

To the inhabitants of the School District in the Town of Henniker qualified to vote in district affairs:

You are hereby notified to meet at the Cogswell School Auditorium on the ninth day of March 1976 at 7:00 O'clock in the evening to act upon the following subjects:

1. To hear the reports of agents, auditors, committees and officers chosen and to take any action relating thereto.
2. To chose agents and committees in relation to any subject embraced in this warrant.
3. To see if the district will vote to authorize the school board to make application for, and accept on behalf of the district, any and all grants or funds, for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1976 - 77.
4. To see if the district will vote to authorize the school board on its behalf to enter into and bind the district to any requisite agreements with the district of Concord and the State Board of Education, so that the district will be enabled to participate in the Regional Vocational Educational Center Program conducted in the Concord School District serving Region II.
5. To see what sum of money the district will vote to raise and appropriate to make the necessary sewage connection to the central sewage system.
6. To see what sum of money the district will vote to raise and appropriate to provide outside security lights, a mercury vapor flood light on each side of the high school.
7. To see what sum of money the district will vote to raise and appropriate to provide security gates in each stair well to lock off the upstairs of the high school during nonschool hours when the gymnasium is in use.
8. To see what sum of money the district will vote to raise and appropriate to repair a roof section over the gymnasium and over the adjacent classroom section of the high school.
9. To see what sum of money the district will vote to raise and appropriate to renovate the basement area of the elementary school providing new bathroom facilities.
10. To see what sum of money the district will vote to raise and appropriate to replace the water pipe to the elementary school.

11. To see what sum of money the district will vote to raise and appropriate to install a tile floor on the floor of the cafeteria in the elementary school.

12. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officials, and agents and for the payment of statutory obligations of the district.

13. To see if the district will vote to raise and appropriate the sum of two thousand dollars ($2,000.00) as a contingency fund or to take any other action relative thereto.

14. To see if the district will vote to, direct the school board to (a) establish a petty cash fund in the amount of five hundred dollars ($500.00) in the office of the headmaster, with reimbursement to the fund as required based on disbursements: (Petty cash funds will only be used in payment for services or merchandise which do not exceed twenty-five dollars ($25.00). All other funds presently controlled by the headmaster in support of school operations will be deposited through the school treasurer. (b) deposit all receipts including athletic game admission, refunds, insurance claim payments, etc. through the school treasurer. By Petition

15. To transact any other business that may legally come before said meeting.

Given under our hands this ninth day of February, 1976, at said Henniker.

PRINCIPAL'S REPORT

The following information relative to the 1975-76 school year should be of general interest to most citizens:

First, enrollment in the school system, K - 12, has increased from 314 students in June 1975, to a present total of 326. Two significant factors appear to be: 1) When the present elementary grades reach high school, a graduating class of less than twenty-five will be a thing of the past; 2) the present Kindergarten, with thirty-four students, is the largest class in the system and the projection for September 1976, is approximately the same number.

Second, the teacher turnover in Henniker this year was the lowest that I can remember during my sixteen year association with the school. This is a definite plus, since this system is small and each teacher plays a more crucial role than he would in a larger system.

Third, the recurring discussion concerning communication, or lack of it, between the home and the school seems to be remedied. A group of citizens have organized under the name *Friends of the School*. They have been endorsed by your School Board. Thus far they have done an excellent job sponsoring monthly informational meetings dealing with topics of concern, gather- and releasing information about various school events to the news media, and publishing a monthly newsletter. They welcome any Henniker citizen interested in becoming a part of the group. If interested, please contact the Principal's office at the High School.

Fourth, the new procedure for the recertification of teachers went into effect this year. The plan is complex but briefly, the format centers around individual recertification plans submitted by each teacher. The plan requires the teacher to successfully complete fifty clock hours of work every three years. The plan must have the approval of the Principal and of the Staff Development Committee. It is imperative that what the teacher accomplishes must be dictated by the needs of the school and/or the needs of the individual teacher.

Fifth, the Ungraded Program with the inclusion of the 6th grade this year is now complete on the elementary level. Plans are now being made on the junior high level to receive these students next September.

Finally, I conclude with my annual appeal to any citizen who has the interest and the free time and would like to volunteer to help in the schools to contact me at the High School.

SUPERINTENDENT OF SCHOOLS

Human services in the overall spectrum of health, education and welfare have been subjected to constant public encounters as well as the extraordinary inflation of consumer goods and services. The life sustaining aspects of education providing academic skills and vocational competence are generally well accepted. Public education is constantly changing in scope beyond the basic skills in reading, writing and computation as conservation education, ecology, career education, and overall health and nutrition education have made significant impact. The constant demands of keeping up to date in preparing our children for national and international economic, political and social elements have broadened and intensified educational concepts.

Federal and State legislation have presented us with programs beyond any criteria previously anticipated. The mandated special services for the handicapped has significant impact on financial resources but provides a necessary component. Educational pressures have been increasing through the years for more and more individualization of instruction on the one hand and concurrently we live in a world society with more and more reliance on interdependency of nations and people. Every child should be given the availability of services to ensure his legal right to obtain a competent education. To deal effectively with people and resources requires breadth of academic programming and training.

The weight of taxpayer concerns are genuine in seeking accountability of operation and fiscal control. However, budgetary limitations should be in the form of realistic constraint considering necessary services for all children not arbitrary axing wherein the resultant impact cripples services, programs, and plant maintenance. Education, too, has been victimized by inflation of goods and services. Although we are a service agency we cannot provide adequate instructional growth without the materials and tools for instruction.

Our communities are projected for steady growth over the next several years. We are in a receiving residential area as the metropolitan and suburban populations shift millions of people to the rural areas on the fringe of the industrial belt. There has been pupil population growth in some of our communities and with it has come a critical need for expanded facilities.

We thank you sincerely for your interest and concern in providing the best possible education for our children. We seek your support in providing an adequate budget as well as extending yourselves in support of fine education.

Thank you.

Respectfully submitted,
Neil E. Cross,
Superintendent of Schools
